CGOMKT002/270320

Dear Valued Partners,

Following our newsletter dated 23 March 2020, please find below the latest flight schedules for cargo carriage on our freighters and passenger aircraft for coming week, correct as of 27 March 2020. Given the evolving Covid-19 outbreak, we will communicate the latest flight schedules every Friday.

As more countries impose tighter border controls around the world to stem the Covid-19 outbreak, there might be further changes to the schedules below. Given this, please visit our website at <http://www.siacargo.com/ccn/ScheduleSearch.aspx> for latest flight schedules.

SIA Cargo stands ready to work closely with you on solutions that can help to alleviate supply chain flow as best as we can. In addition to above schedules, we are offering charters of both freighter aircraft and passenger aircraft for pure cargo carriage only. Please contact your local sales representative or reach out to us on our [worldwide contact webpage](#).

Thank you.
